

To Whom It May Concern,

On December 10th, 2022, the first annual Rock ‘N’ & Roll ‘N’ For Hunger fundraising event took place in Windsor, Ontario in support of the Windsor Essex Food Bank Association. Local musicians donated their time and talents to make this a very successful event on many fronts along with the support of all local media.

Jeff Jones, and Gerry Finn; as known as Jones-Finn, came in from Toronto to perform for a very welcoming audience, and they did not disappoint with their set, as well as sitting in with other musicians that night for an all-star performance. In the weeks leading up to the event, they made themselves available for live on-air interviews with radio, and they were accessible for print media interviews in advance.

Besides being extraordinary musicians, and vocalists, they were very engaging on, and off stage. Gentlemen, and charming only begin to describe these two Canadian musical treasures. They continue to be the talk of the town, and we all look forward to their return.

For those of you who have the opportunity to work with these individuals, you won’t be disappointed on any front. Jones-Finn provides an evening of uplifting and heartfelt music, along with their infectious sense of humour, and with a respect for each other which is evident from the moment they take the stage, to the post show meet and greet.
